

THE MEETING OF THE DAUGHTERS

Interesting News Concerning the November Assembly.

MONUMENT TO WINNIE DAVIS.

It Will be Unveiled by the Little Son of Mrs. Hayes—The Daughters May Build the Monument to President Davis.

ACTIVE PREPARATIONS

The committee in charge of preparations for the meeting of the United Daughters of the Confederacy in this city November 8th are rapidly completing their preparations for this great event. Circulars have been sent out to camps of veterans, sons of veterans and Confederate Memorial Associations, as far as possible, as well as to the Daughters of the Confederacy.

Many letters have been received from the States, saying their divisions would be largely represented. The unveiling of the Winnie Davis monument should alone bring many. Too much praise cannot be given to the Winnie Davis Monument Committee, Mrs. Alfred Grey, chairman.

Just a little more than one year ago the south mourned the death of the woman they loved and they are called now to do honor to her memory by placing a monument over her grave. No soliciting was done, the Richmond Chapter simply stating that this movement was to be erected and the Chapters, the Camps and friends of the Daughters of the Confederacy at once responded. Mrs. Hayes' little son has been asked to unveil it.

At the meeting of the United Daughters of the Confederacy the most important question to be brought up will be whether the erection of the monument to President Davis will be undertaken by the Daughters of the Confederacy, it having been determined in consultation by the veterans to ask them to do this work.

It would be the crowning glory of the work done by the women of the South and it is hoped they will undertake it for they have never failed yet in any Conference cause.

FOR INFORMATION.

Mrs. N. V. Randolph, president of the Richmond Chapter, Daughters of the Confederacy, and Mrs. Joseph Bryan, president of the Confederate Memorial Literary Society, have issued the following:

The Richmond Chapter, Grand Division of Virginia, U. D. C., and the Confederate Memorial Literary Society of Richmond send greetings to the United Daughters of the Confederacy, the Southern Memorial Associations, Veterans and Sons of Veterans.

The sixth annual convention of the Daughters of the Confederacy will be held in Richmond, November 8th to 10th. At this meeting many questions of great importance will be brought forward, to be voted upon by the regularly accredited delegates of the U. D. C. Therefore, it is expected that each State will be largely represented. We hope that many Daughters will be in attendance outside of delegates. The Richmond Chapter has always felt that to the Southern Memorial Association, no delegation cannot be given. They presented the burial place of "our dead" during the times that tried men's souls, when they had to meet together often in secret, and notwithstanding we do now, with colors flying, and our love cause vindicated; and although they cannot send delegates to the convention, they can send representatives, to whom we will gladly give place of honor, not only in the convention, but in an unveiling of the Winnie Davis Monument, which takes place the 8th, the second day of the convention. We also request that the Veterans and Sons of Veterans will send representatives to do honor to the memory of "The Daughter of the Confederacy."

RAILROADS GENEROUS.

The railroads, through the courtesy of Mr. W. H. Tark, general passenger agent of the Southern, and Mr. Joseph Richardson, of the Southeastern Passenger Association, have given us a low rate for round trip over these roads.

Mr. Fry, proprietor of the Jefferson, which will be headquarters for the U. D. C., has made special rates. He has given the use of his parlor and dancing hall, and a room, where the ladies of the Bureau of Information will be present, to give directions to those who desire other accommodations in hotels or boarding houses. The entire week will be devoted to Confederate work.

Monday, 8th, will be the meeting of the Confederate Memorial Literary Society; Tuesday, the State convention of the Grand Division of Virginia; and Wednesday, the opening day of the convention of the Daughters of the Confederacy, which will continue throughout the week. It is believed that Richmond, being dear to the hearts of all true Confederates, they will avail themselves of this opportunity to see the many places of interest.

We hope for a large attendance, and God welcome.
